
MEMORANDUM

TO: CITY COUNCIL
JERRY A. BENTROTT, CITY MANAGER
KAREN A. PHILLIPS, CITY CLERK

FROM: ROGER G. ORR, CITY ATTORNEY 

DATE: NOVEMBER 16, 2011

SUBJECT: REDISTRICTING

Attached is a map that is identified as Jack Kelly Plan 1-A. This represents a slight modification to the map that was approved by the City Council for redistricting at its November 14, 2011 meeting.

In the process of preparing the legal description, a detailed review of the map was done by MIS and it was found that, due to a feature in the computer system, a subdivision had been divided by the proposed map considered by the Council at the meeting of November 14th.

Attached as a second exhibit is a detailed map showing where the subdivision was split on the western boundary of District 2. The third attached map shows an enlargement of the proposed revision to the original Jack Kelly plan, which resolves the issue of splitting the subdivision. According to the 2010 census tracks there is no change in the population distribution.

It is suggested that the Council approve the modified redistricting map attached as Jack Kelly Plan 1-A so that we have resolved the issues of splitting the subdivision and maintain boundaries on clearly identifiable thoroughfares and other features.
