Re: Tower Lease @ Apache Ave Park

Dear Mr. Bentrrott,

I'd like to introduce myself. I'm Kevin Aycocck, President and Owner of Dynamic Towers Inc. We are a Port St Lucie based company specializing in the development of wireless communication towers.

Last year, under the approval and authorization of City Manager Don Cooper, we were in negotiations with the City Attorney's Office to lease for a parcel of land located on City property and under the jurisdiction of the Parks and Récréation Département. The location was being referred to as Apache Ave Park. The park is located South of the Cross-town Parkway near the intersection of California Blvd. During the initial process last year, we notified the surrounding residents and conducted an informational meeting onsite along with Jerry Melville from Parks and Recreation. The residents had no objections to our proposed "pine tree" tower. We showed them large photo simulations of the proposed tower while answering all questions they had. Mr. Melville was extremely pleased with the turn out, and the results, of our residents meeting.

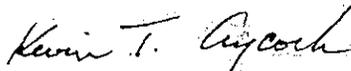

Due to the downturn in the economy, we temporarily ceased the final lease negotiation process with the City Attorney's office and shelved the project.

This week, we met with Pam Booker-Hakim to gage the interest of, and hopefully resume these negotiations. Pam advised us that we should first contact you to obtain your authorization so that she and her department may re-enter negotiations.

With your permission and authorization we would like to resume our negotiations with the City Attorney to finalize this lease. As part of this process, we feel it will be critical to conduct another notification and onsite meeting with the residents given the recent events resulting from other tower related issues that have come before the City of Port St Lucie.

If you have any questions or concerns, please feel free to contact me. We look forward to working with you regarding this matter.

Sincerely,

Kevin Aycocck,

DTI, at its expense, was granted the right to survey said Property which is legally described on said survey on Exhibit A, attached hereto and made a part hereof, and shall control in the event of discrepancies between it and the above legal description. CITY granted DTI the right to take measurements, make calculations, and to note other structures, setbacks, uses, or other information as deemed by DTI to be relevant and pertinent, as such information relates to City's park property, leased or otherwise abutting or surrounding the Property. To the extent the CITY owns adjacent lands, the CITY grants DTI the right to reasonable use of the adjoining and adjacent lands, as may be necessary, for achieving the construction, installation, maintenance, and operation of the Facility. However, DTI shall provide at least a forty-eight (48) hour advance, written notice or e-mail transmission to the CITY'S Parks and Recreation Department for coordination and approval in the CITY'S sole discretion of any proposed use or disturbance of the non-leased adjoining and adjacent lands.

**4. Rent**

Rent will commence on the Rent Start Date (as hereinafter defined). **8. Improvements**

DTI shall, at DTI's expense, make such improvements on the Ground Space, as it deems necessary from time to time for the operation of the Facility, including the right to replace, repair, add or otherwise modify its equipment or any portion thereof, whether the

equipment is specified or not on any exhibit attached hereto, during the term of this Lease. A security fence consisting of chain link construction or similar but comparable construction will be placed around the perimeter of the Ground Space at the expense of DTI. DTI will also provide and install public awareness signage concerning the property usage and contact information. Such signage content will be provided to the CITY'S Parks and Recreation Department for review and approval and shall be in compliance with any and all applicable federal, state and local requirements. Within ninety (90) days after termination or expiration of this Lease, DTI will remove its equipment and improvements (excluding footings, landscaping or plant life) and will restore the Ground Space to the condition existing on the commencement of this Lease, except for ordinary wear and tear. CITY agrees and acknowledges that all of the equipment, fixtures and personal property of DTI shall remain the personal property of DTI and DTI shall have the right to remove the same, whether or not said items are considered fixtures and attachments to real property under applicable law. If such time for removal causes DTI to remain on the Ground Space after termination of this Lease, DTI shall pay rent at the then existing monthly rate or on the existing monthly pro-rata basis if based upon a longer payment term, until such time as the removal of its equipment and improvements and all personal property is completed.

DTI acknowledges that it may be necessary to remove and replace the landscape and fencing on the Ground Space in the future due to the existing ground conditions. DTI agrees to pay for the cost of any removal and replacement of the landscape and fencing on the Ground Space at the sole discretion of the CITY.

**9. Compliance with Laws.**

DTI will comply with all applicable laws relating to its possession and use of the Ground Space, including, without limitation, posting requirements of the Federal Communications Commission.

**10. Removal.**

A. Obsolete and unused towers. Any obsolete or unused tower shall be removed after twelve (12) months of non-use. A removal bond irrevocable letter of credit equal to the following shall be required prior to obtaining final site development permits

2. Towers 151 to 200 feet in height = \$20,000

3. Towers 201 to 300 feet in height= \$25,000

**11. Interference**

DTI will cure technical interference problems with other equipment located on the Land prior to the effective date of this Lease or any equipment that becomes attached to the Land at any future date when DTI desires to add additional equipment to the Property. Likewise, CITY will not permit the installation of any future equipment, upgrades or enhancements by others, which results in unreasonable technical interference problems with DTI's then existing equipment. CITY and DTI acknowledge that there will not be an adequate remedy at law for non-compliance with the provisions of this paragraph and therefore, DTI shall have the right to specifically enforce the provisions of this paragraph in a court of competent jurisdiction.

**12. Utilities**

CITY represents that those utilities adequate for DTI's use of the Ground Space are available. DTI shall pay for all utilities used by DTI at the Ground Space. CITY will cooperate with DTI's efforts to obtain utilities from any location provided by CITY or the servicing utility.

**13. Termination**

DTI may terminate this Lease at any time within sixty (60) days written notice to CITY without further liability if DTI does not obtain all permits or other approvals (collectively "approval") required from any governmental authority or any easements required from any third party to operate the Facility, or if any such approval subsequently is canceled, expires or is withdrawn or terminated, or if CITY fails to have proper ownership, or appropriate clear title to the Property or authority to enter into this Lease, or if DTI determines that it will be unable to use the Property for its intended purpose. City may terminate this Lease at any time by providing DTI with 120 days advance written notice. Upon termination, CITY shall retain all prepaid rent.

**14. Default**

If either party is in default under this Lease for a period of (i) twenty (20) days following receipt of written notice from the non-defaulting party with respect to a default which may be cured solely by the payment of money, or (ii) thirty (30) days following receipt of written notice from the non-defaulting party with respect to a default which may not be cured solely by the payment of money, then, in either event, the non-defaulting party may pursue any remedies available to it against the defaulting party under applicable law, including, but not limited to, the right to terminate this Lease. If the non-monetary default may not reasonably be cured within a thirty (30) day period, this Lease may not be terminated if the defaulting party commences action to cure the default within such thirty (30) day period and proceeds with due diligence to

fully cure the default.

Notwithstanding anything in this Lease to the contrary, in the event of a default by CITY which results in DTI being unable to operate the Facility for a period of time exceeding CITY's initial thirty (30) day cure period, the rent shall abate for the period of time after expiration of the initial thirty (30) day cure period until the earlier of such date as CITY has cured the non-monetary default or DTI is able to continue operating the Facility; provided, further, that if DTI is unable to operate the Facility for more than Ninety (90) days, DTI shall have the right to immediately terminate this Lease. Any such notice of termination shall cause this Lease to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Lease and the parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Lease.

**15. Hazardous Substances**

CITY represents that it has no knowledge of any substance, chemical or waste on the Land that is identified as hazardous, toxic or dangerous in any applicable federal, state or local law or regulation. DTI shall not introduce or use any such substance on the Property in violation of any applicable law.

DTI will maintain comprehensive general liability and property liability insurance with minimum liability limits of not less than ONE MILLION DOLLARS AND NO CENTS (\$1,000,000.00) for injury to or death of one or more persons in any one occurrence and not less than ONE MILLION DOLLARS AND NO CENTS (\$1,000,000.00) for damage or destruction of property in any one occurrence, with not less than THREE MILLION DOLLARS AND NO CENTS (\$3,000,000.00) general aggregate insurance coverage. All such insurance policies shall be issued by companies approved by the CITY and licensed to do business in the State of Florida and all such policies shall contain a provision whereby the same cannot be canceled or modified unless the CITY is given at least thirty (30) days prior written notice of such cancellation or modification. DTI shall provide the CITY certificates showing such insurance to be in place and showing the CITY as an additional named insured under the policies.

DTI shall be responsible for assuring that the insurance certificates required in conjunction with this section remain in full force for the duration of this Lease Agreement and any extension or renewal thereof. If insurance certificates are scheduled to expire during the term of this Lease Agreement, DTI shall be responsible for submitting new or renewed insurance certificates to the

CITY at a minimum of thirty (30) days in advance of such expiration. If the insurance policies are not kept in full force during the entire term of this Lease Agreement or any extension thereof, the CITY may procure the necessary insurance policies and DTI shall repay to CITY the full amount of the premium(s) paid by the CITY for such insurance policy procurement. Said repayment shall be provided to the CITY as an additional rent installment for the year following the date on which the premiums were paid by the CITY.

**17. Indemnification and Hold Harmless**

DTI shall indemnify and hold harmless the CITY and its officers, employees, agents and instrumentalities from any and all liability, losses, or damages, including attorney fees and costs of defense, which the CITY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease Agreement by DTI or its employees, agents, servants, partners, principals, subcontractors, guests, invitees, licensees, or assignees. DTI shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the CITY, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The indemnities provided by DTI under this Lease Agreement will not extend or apply to any claims, damages, suits or actions caused by or resulting from the sole negligence or willful misconduct of the CITY, or its officers, employees, agents, contractors, or instrumentalities. DTI expressly understands and agrees that any insurance protection required by this Lease Agreement or otherwise provided by DTI shall in no way limit the responsibility to indemnify, keep and save harmless and defend the CITY or its officers, employees, agents and instrumentalities as herein provided.

**18. Taxes**

DTI shall be responsible for making any necessary returns for and paying any and all property taxes separately levied or assessed against its improvements on the Ground Space. DTI shall reimburse the CITY, as additional rent, any documented increases in real estate taxes levied against the Property which are directly attributable to the improvements constructed by DTI and are not separately levied or assessed against DTI's improvements by the taxing authority. CITY shall provide to DTI a copy of any notice, assessment or billing relating to real estate taxes for which DTI is responsible under this Lease within thirty (30) days of receipt of the same by CITY. DTI shall have no obligation to make payment of any real estate taxes until DTI has received the notice, assessment or billing relating to such payment as set forth in the

preceding sentence. DTI shall have the right, at its sole option and at its sole cost and expense, to appeal, challenge or seek modification of any real estate tax assessment or billing for which DTI is wholly or partly responsible for payment under this Lease. CITY shall reasonably cooperate with DTI in filing, prosecuting and perfecting any appeal or challenge to real estate taxes as set forth in the preceding sentence, including but not limited to, executing any consent to appeal or other similar document.

**19. Recording**

CITY and DTI agree that this Lease Agreement will be forwarded for recording or filing in the appropriate office of St. Lucie County. CITY and DTI agree to take such actions as may be necessary to permit such recording or filing. DTI shall be responsible for the recording costs. DTI, at DTI's option and expense, may obtain title insurance on the Ground Space leased herein. CITY shall cooperate with DTI's efforts to obtain a title insurance policy by executing documents, or at DTI's expense, obtain requested documentation as required by the title insurance company. If title is found to be defective, CITY shall attempt to cure defects in title. At DTI's option, should the CITY fail to provide requested documentation within thirty (30) days of CITY's receipt of DTI's written request, or fail to provide the Non-Disturbance instrument(s), DTI may withhold and accrue the monthly rental until such time as the requested document(s) are received, or if title is found to be defective and CITY has failed to cure the defects within a reasonable period, DTI may cancel this Lease or cure the title defect at CITY's expense utilizing the withheld payments. Any such notice of termination shall cause this Lease Agreement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of this Lease and the parties shall make an appropriate adjustment, as of such termination date, with respect to payments due to the other under this Lease.

**20. Co-Location**

DTI shall design the 150' stealth tower structure and facility to allow for at least three (3) other telecommunications providers. DTI shall design the tower and facility to allow for at least three other telecommunications providers. The availability of the tower shall be subject to the structural limitations as may be imposed by current or future regulations. DTI shall pay to City twenty-five percent (25%) of all rental revenues received from any co-locator. DTI shall provide copies of all co-locate agreements to the City of Port St. Lucie for verification of co-locate revenue share due to the City. Said agreements shall be provided prior to pulling a building permit for the additional provider. Failure to provide said documentation at any time

during the lease term shall constitute a default. DTI shall be entitled to recoup from any co-locator, a pro rata share of the capital cost of construction of the tower. The City shall not share this capital contribution. City acknowledges and agrees that the continuity of DTI's services is of paramount importance. City at all times shall exercise the greatest care and judgment to prevent damage to DTI's services. City agrees that DTI may cause its engineers to verify by frequency search that the proposed additional provider will not interfere with the radiating or receiving facilities of DTI.

**21. Sale of Land**

If CITY should, at any time during the term of this Lease Agreement, decide to sell all of its Land, which includes the leased Property, to a purchaser other than DTI, such sale shall be under and subject to this Lease and DTI's rights hereunder, unless both parties agree to terminate the Lease.

**22. Casualty**

If DTI's Facility or improvements are damaged or destroyed by fire or other casualty, DTI shall not be required to repair or replace the Facility or any of DTI's improvements made by DTI. DTI shall not be required to expend funds for repairs that are more than fifty-percent (50%) of the replacement value of the Facility or any improvements. Additionally, if completion of the repairs is not possible within forty-five (45) days following the date of the damage or destruction, DTI may terminate this Lease by giving thirty (30) days written notice to CITY. Termination shall be effective immediately after such notice is given. Upon such termination, this Lease shall become null and void and CITY and DTI shall have no other further obligations to each other, other than DTI's obligation to remove DTI's property as hereinafter provided.

**23. Inspections**

CITY shall permit DTI or DTI's employees, agents and contractors access to the Property by DTI or its employees, agents and contractors to conduct inspections on the Ground Space (including Phase I and Phase II audits), radio frequency tests and such other tests, investigations and similar activities as DTI may deem necessary, at the sole cost of DTI. The scope, sequence and timing of the inspections shall be at the sole discretion of DTI; upon reasonable notification to CITY and Director of the Parks and Recreation Department, or his designee, the inspections may be commenced during normal business hours, for the duration of the Lease. DTI and its employees, agents and contractors shall have the right to bring the necessary vehicles and equipment onto the Property and any of the CITY's surrounding property to conduct such tests, investigations and similar activities.

DTI shall indemnify and hold CITY harmless against any loss of damage for personal injury or physical damage to the Property, CITY's surrounding property or the property of third parties resulting from any such tests, investigations and similar activities. Upon written request, DTI shall furnish to CITY copies of the environmental findings. Should DTI exercise this option, DTI at its expense shall restore the Land to its original condition for any changes caused by said testing excluding normal wear and tear.

**24. Enforcement**

Any and all rights and remedies of the CITY under this Lease Agreement shall be cumulative and shall not be exclusive of any other rights and remedies provided to CITY under applicable law.

**25. Holdover**

If DTI, with the consent of the CITY, remains in possession of the demised premises after the expiration of the term of this Lease Agreement or any Renewal Terms and if the CITY and DTI have not executed an express written agreement as to such holding over, then such occupancy shall be a tenancy from month to month at a monthly rental fee of the current rent, and such payments shall be made as herein provided. In the event of such holding over, all of the terms of this Lease Agreement including the payment of all charges owing hereunder other than rent shall remain in full force and effect on said month to month basis.

**26. Governing Law**

This Lease Agreement, including any exhibits or amendments, if any, and all matters relating thereto (whether in contract, statute, tort or otherwise) shall be governed by and construed in accordance with the laws of the State of Florida and venue of any proceedings hereunder shall be in a court of proper jurisdiction in St. Lucie County, Florida.

(b) Mechanic's, Material men's and Other Liens

DTI agrees that it will not permit any mechanic's, material men's, or other liens to stand against the demised premises for work or materials furnished to DTI; it being provided, however, that DTI shall have the right to contest the validity thereof. DTI shall immediately pay any judgment or decree rendered against DTI, with all proper costs and charges, and shall cause any such lien to be released off record without cost to the CITY.

(c) Permits, Regulations & Special Assessments

DTI covenants and agrees that during the term of this Lease Agreement DTI will obtain any and all necessary permits and approvals and that all uses of the demised premises will be in conformance with all applicable laws, including all applicable zoning regulations.

(d) Force Majeure

DTI and the CITY shall be excused for the period of any delay and shall not be deemed in default with respect to the performance of any of the non-monetary terms, covenants and conditions of this Lease Agreement when prevented from so doing by cause or causes beyond DTI's or the CITY's control, excluding filing of bankruptcy, but which shall include, without limitation, all labor disputes, governmental regulations or controls, fire or other casualty, acts of God, or any other cause, whether similar or dissimilar to the foregoing, not within the control of DTI or the CITY.

(e) If any provision of this Lease is held invalid or unenforceable with respect to any party, the remainder of this Lease or the application of such provision to persons other than those as to whom it is held invalid or unenforceable, will not be affected and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

(f) The failure of either party to insist upon strict performance of any of the terms or conditions of this Lease or to exercise any of its rights under the Lease shall not waive such rights and such party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Lease, either in law or in equity.

**28. Written Agreement**

This Site Lease Agreement contains the entire agreement between the parties hereto and all previous negotiations leading thereto, and it may be modified only by ordinance adopted by the City Council.
