Adoption of this Annual Rate Resolution constitutes a legislative determination that all parcels assessed derive a special benefit, as set forth in the Ordinance, the Initial Assessment Resolution, the Final Assessment Resolution, and the Preliminary Rate Resolution from the solid waste collection and disposal services, facilities or programs to be provided and a legislative determination that the Solid Waste Service Assessments are fairly and reasonably apportioned among the residential Improved Properties that receive the special benefit as set forth in the Preliminary Rate Resolution.

(B) The method for computing Solid Waste Service Assessments described in the Preliminary Rate Resolution is hereby approved.

(C) For the fiscal year beginning October 1, 2012, the Solid Waste Cost shall be allocated among all parcels of Assessed Property, based upon each parcels' classification as residential Improved Property pursuant to the Ordinance and the number of dwelling units for such parcels. Solid Waste Service Assessments for solid waste collection and disposal services, facilities or programs in the amounts set forth in the Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Assessed Property described in the Assessment Roll.

(D) Any shortfall in the expected Solid Waste Service Assessment proceeds due to any reduction or exemption from payment of the Solid Waste Service Assessments required by law or authorized by the Council shall be supplemented by any legally available funds, or combination of such funds.

(E) Such Solid Waste Service Assessments shall constitute a lien upon the Assessed Property so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

As required by § 197.3632, Florida Statutes, notice is hereby given by the City of Port St. Lucie, Florida, that an annual assessment using the tax bill collection method may be levied on your property for the purpose of funding solid waste collection and recycling services (i.e. garbage collection). The use of an annual special assessment for solid waste services within the City of Port St. Lucie has proven to be a fair, efficient, and effective means of funding these services. The assessment for each property is calculated by multiplying the number of dwelling units on each parcel by the rate of assessment. **The proposed assessment rate per dwelling for fiscal year 2012-2013 is \$268.36.**

The total number of dwelling units calculated for the above referenced parcel is <<UNITS>> for which the City proposes an assessment of \$<<AMOUNT>> for fiscal year 2012-2013.

The total revenue the City will collect by the assessment is estimated to be \$ 7,409,855.00 for fiscal year 2012-2013. The solid waste assessment will be levied and collected in the same manner as ad valorem taxes by the Tax Collector of St. Lucie County and will appear on the "non-ad valorem" portion of the 2012 tax bill and future bills. Upon the filing of such assessment roll with the St. Lucie County Tax Collector, the assessments shall stand as legal, valid and binding liens, co-equal with the lien of all state, county, district, and municipal taxes, superior in dignity to all other liens, titles, and claims, until paid.
