

RESOLUTION NO. 12-R91

COUNCIL ITEM 11B
DATE 8/27/12

COUNCIL ITEM 11B
DATE 9-10-12

A RESOLUTION GRANTING A SPECIAL EXCEPTION USE PROVIDED FOR IN SECTION 158.135(C)(4) TO ALLOW A FINE ARTS STUDIO IN THE WI (WAREHOUSE INDUSTRIAL) ZONING DISTRICT FOR ROMANELLI WAREHOUSE, LEGALLY DESCRIBED AS LOT 4, BLOCK 6, ST. LUCIE WEST PLAT 14, P12-072; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Port St. Lucie, Florida, has been requested by Joseph T. Friscia, acting as agent for Rocco Romanelli (TR), owner, to grant a special exception use of a fine arts studio on property presently zoned WI (Warehouse Industrial); and legally described as Lot 4, Block 6, St. Lucie West Plat 14; and

WHEREAS, the City Council determines that the granting of this special exception use is authorized by Section 158.255, et seq., and Section 158.135(C)(4), Code of Ordinances, City of Port St. Lucie, and further that the granting of this special exception use will not adversely affect the public interest; and

WHEREAS, the subject application has been reviewed in accordance with Section 158.260, and meets the special exception use requirements as stipulated; and

WHEREAS, the Planning and Zoning Board, on August 7, 2012, recommended approval (P12-072); and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Port St. Lucie as follows:

Section 1. That the City of Port St. Lucie hereby grants a special exception use to Rocco Romanelli, P12-072, to allow a fine arts studio, pursuant

RESOLUTION NO. 12-R91

to Section 158.255, et seq., and Section 158.135(C)(4) Code of Ordinances, City of Port St. Lucie, said special exception use is depicted on the conceptual plan which is hereby formally adopted and attached as Exhibit 'A', to be located at 561 NW Interpark Place and legally described as Lot 4, Block 6, St. Lucie West Plat 14 with the following condition:

1. The property owner is required to be a signatory to a legally enforceable shared parking agreement as permitted by the Zoning Code Section 158.221(D).

Section 2. This resolution shall take effect immediately upon its adoption.

PASSED AND APPROVED by the City Council of the City of Port St. Lucie, Florida, this _____ day of _____, 2012.

CITY COUNCIL
CITY OF PORT ST. LUCIE

City of Port St. Lucie
Planning and Zoning Department
A City for All Ages

TO: CITY COUNCIL - MEETING OF AUGUST 27, 2012
FROM: KATHERINE H. HUNTRESS, PLANNER 
RE: SPECIAL EXCEPTION APPLICATION (PROJECT NO. P12-072)
ROMANELLI WAREHOUSE AT ST. LUCIE WEST
FINE ARTS STUDIO (DANCE)
DATE: AUGUST 14, 2012

APPLICANT: Joseph T. Friscia, P.E.

OWNER: Rocco Romanelli (TR)

LOCATION: The subject property is located at 561 NW Interpark Place, north of NW Concourse Place, west of NW Interpark Place, east of Interstate 95, and south of NW Mercantile Place.

LEGAL DESCRIPTION: The property is legally described as Lot 4, Block 6, St. Lucie West Plat 14.

SIZE: The site size is 1.534 acres (66,822 square feet) with 21,000 square feet of leasable area.

EXISTING ZONING: WI (Warehouse Industrial).

EXISTING USE: The existing use is a 21,000 square foot warehouse/office building, with 10,500 square feet of indoor sports instruction volleyball school; 9,000 square feet of warehouse area; and 1,500 square feet of office area.

PROPOSED USE: The proposed use is for a 7,000 square foot dance studio.

REQUESTED SPECIAL EXCEPTION: The requested special exception is to allow a dance studio in the WI (Warehouse Industrial) Zoning District per Chapter 158.135(C)(4) of the Zoning Code, which allows a fine arts studio as a Special Exception Use.

SURROUNDING USES: North, south, and east = WI (Warehouse Industrial) zoning, existing warehouse/offices. West = Interstate 95.

IMPACTS AND FINDINGS:

Evaluation of Special Exception Criteria (Section 158.260)

(A) Adequate ingress and egress may be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or other emergency.

Applicant response: "Two (2) right-in right-out driveways exist on Interpark Place. Pedestrian access is provided from the building to the parking area. The building is fully sprinklered and is accessible to fire fighting equipment from all sides."

Staff evaluation: P06-192 Romanelli Warehouse at St. Lucie West Site Plan was approved by City Council on August 28, 2006. The existing site has adequate ingress and egress to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or other emergency.

(B) Adequate off-street parking and loading areas may be provided, without creating undue noise, glare, odor, or other detrimental effects upon adjoining properties.

Applicant response: "We propose to provide adequate parking. The volleyball school and dance studio will operate during evenings and weekends and will not operate concurrently with the warehouse use in the remainder of the building. Parking calculations are provided on the attached exhibit. The volleyball school and dance studio will be indoors and will not create undue noise, glare, odor or other detrimental effects upon adjoining properties. Outdoor lighting meets Code requirements regarding shielding and pole height."

Staff evaluation: The existing warehouse/office building is 21,000 square feet. The dance studio proposes to occupy the eastern 7,000 square feet of the building. The volleyball school occupies the 10,500 square foot space adjacent to the west, and Dish Network currently occupies the 3,500 square foot bay on the western most side of the building.

59 parking spaces are provided on the site, and the dance studio and volleyball school will require a total of 59 parking spaces to be used during nighttime hours and weekends. The warehouse/office requires 9 parking spaces to be used during daytime hours (see attached parking calculations).

The applicant has stated that the dance studio and volleyball school will operate during evenings and weekends and will not be concurrent with the other uses in the building, therefore there is adequate parking and there may not be any noise, glare, or other detrimental effects on the adjoining properties. The property owner shall be a signatory to a legally enforceable shared parking agreement as permitted by the Zoning Code Section 158.221(D).

(C) Adequate and properly located utilities are available or may be reasonably provided to serve the proposed development.

Applicant response: "Utilities are in place for this existing building."

Staff evaluation: The property is connected to St. Lucie West Services District water and sewer and no additional capacity will be required for the proposed special exception use.

(D) Adequate screening or buffering. Additional buffering beyond that which is required by the code may be required in order to protect and provide compatibility with adjoining properties.

Applicant response: "This is an existing building in an industrial area. The school and studio will be indoors. No buffer is needed."

Staff evaluation: This property is located in an established industrial area of the City, and the surrounding sites contain structures similar in construction and design. Many of the surrounding businesses are industrial in nature, and should not be adversely affected by the presence of a dance studio at this location.

The site has an approved landscape plan. The proposed use is not next to or in close proximity to residential uses and the applicant states that the activities are indoors. Due to the nature of the surrounding businesses, and the presence of the required landscaping, it is determined that this site has adequate buffering and screening, and therefore no additional screening would be required.

(E) Signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.

Applicant response: "This is an existing building in an industrial area. The dance studio will be indoors. Signs and lighting are in place."

Staff evaluation: The site is developed and no additional lighting or signage is being proposed. If additional signage is proposed, it will need to be processed according to the current St. Lucie West Master Sign Program and the City's Sign Code, and the placement of any additional light poles will require a site plan amendment.

(F) Yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.

Applicant response: "The open space meets the City of Port St. Lucie's requirements, and is comparable to the existing open spaces for the adjacent developments."

Staff evaluation: The applicant's response adequately addresses this criterion. The proposed use will not require any additional yard or open space. The proposed use (dance studio) will not require the applicant to make any changes or additions to the existing yard and open space designated on this site. Also it is important to note that all activities will take place indoors, and consequently there is no need to require any additional yard or open space. The building meets all the setback requirements of the City's Code.

(G) The use as proposed will be in conformance with all stated provisions and requirements of this chapter.

Applicant response: "We will follow all of the City of Port St. Lucie's stated provisions and requirements of the City's Land Development Regulations."

Staff evaluation: The applicant has adequately addressed the criteria. The proposed Special Exception Use – fine arts studio (dance studio) is in conformance with Chapter 158.135(C)(4) and Section 158.260 of the Zoning Code.

(H) Establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the City.

Applicant response: "The proposed development will comply with all City guidelines and will not impair the health, safety or welfare of the City's residents and workers in the City."

Staff evaluation: The applicant has adequately addressed the criteria. The proposed use is for the operation of a dance studio. This should not impair the health, safety, welfare, or convenience of residents and workers in the City.

(I) The proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.

Applicant response: "We do not anticipate any nuisance or hazard to be caused by this indoor use."

Staff evaluation: The applicant states that the operation of the dance studio and volleyball school will operate on evenings and weekends, will be conducted inside the existing building, and will not be concurrent with the other uses in the building which will operate on weekdays. Therefore, the proposed use should not constitute a nuisance or hazard.

(J) The use as proposed for development will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access location, light, and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.

Applicant response: "The indoor dance studio will be compatible with the existing or permitted uses of adjacent property."

Staff evaluation: This site is already developed and the proposal will be changing 7,000 square feet of the interior of the existing warehouse/office building to create the volleyball dance studio. This site is located in an industrial area within the City and is surrounded by other properties zoned Warehouse Industrial and should be compatible with the site itself as well as with the adjacent properties.

(K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive, or intrusive upon the nearby area and would result in excessive disturbance or nuisance from the use altering the character of neighborhood.

Applicant response: The applicant has noted this.

Staff evaluation: The applicant has acknowledged this. The applicant is required to apply for a change of occupancy through the Building Department.

(L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including but not limited to reasonable time limit within which the action for which special approval is requested shall be begun or completed or both.

Applicant response: The applicant has noted this.

Staff evaluation: The applicant has acknowledged this.

Compatibility with special exception criteria: As noted above, the proposed use is compatible with all of the special exception criteria.

Notice to Property Owners: Notice was sent to all neighbors within a 300 foot radius.

Related Projects:

P11-089 Romanelli Warehouse at St. Lucie West Special Exception Use (Volleyball School) was approved by City Council on September 26, 2011.

P09-006 Romanelli Warehouse at St. Lucie West Site Plan Amendment was approved administratively on January 28, 2009.

P06-192 Romanelli Warehouse at St. Lucie West Site Plan was approved by City Council on August 28, 2006.

STAFF RECOMMENDATION:

The Planning and Zoning Department staff finds the request to be consistent with special exception criteria as stipulated in Section 158.260 of the Zoning Code. The Planning and Zoning Board reviewed the request on August 7, 2012 and unanimously recommended approval with the following condition as recommended by the Planning and Zoning Department staff:

1. The property owner is required to be a signatory to a legally enforceable shared parking agreement as permitted by the Zoning Code Section 158.221(D).

Planning Dept. P12-072
Fee (Nonrefundable) \$ 2,115.00
Receipt # 11787

Refer to "Fee Schedule" for application fee. Make check payable to the "City of Port St. Lucie". Fee is nonrefundable unless application is withdrawn prior to advertising for the Planning and Zoning Board meeting. **Attach two copies of proof of ownership (e.g., warranty deed, affidavit), lease agreement (where applicable) and a statement addressing each of the attached criteria.**

PROPERTY OWNER:

Name: Rocco Romanelli (TR)
Address: 1818 7th Ave. N Unit # 3, Lake Worth, FL 33461
Telephone No.: 561-312-8120 Fax No.: 561-533-1607

APPLICANT (IF OTHER THAN OWNER, ATTACH AUTHORIZATION TO ACT AS AGENT):

Name: Joseph T. Friscia, P.E.
Address: 459 NW Prima Vista Blvd., Port St. Lucie, FL 34983
Telephone No.: 772-340-4990 Fax No.: 772-340-7996

SUBJECT PROPERTY:

Legal Description: Lot 4, Block 6, SLW Plat No. 14, PB 27, Pgs 17, 17A-17F
Parcel I.D Number: 3323-640-0010-000-0
Address: 561 NW Interpark Place Bays: 6
Development Name: Romanelli Warehouse (Attach Sketch and/or Survey)
Gross Leasable Area (sq. ft.): 21,000 sq. ft. Assembly Area (sq. ft.): N/A
Current Zoning Classification: WI SEU Requested: Dance Studio

Please state, as detailed as possible, reasons for requesting proposed SEU (continue on separate sheet, if necessary):

The purpose of this request for the proposed special exception use is to allow a dance studio in an existing warehouse. The studio will occupy 33% of the 21,000 sq. ft. building. The studio will operate during evenings and weekends and will not be concurrent with the other uses in the building, except for the volleyball school which will also operate during evenings and weekends. It will not pose a negative impact on surrounding uses. WI zoning regulation specifically requires a Special Exception Use for this use in the WI zoning district.

SPECIAL EXCEPTION USES

The Planning and Zoning Board, and Zoning Administrator, may authorize the special exception use from the provisions of § 158.260. In order to authorize any special exception use from the terms of this chapter, the Planning and Zoning Board, or Zoning Administrator, will consider the special exception criteria in § 158.260 and consider your responses to the following when making a determination.

(1) Please explain how adequate ingress and egress will be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow, and control, and access in case of fire or other emergency.

Two (2) right-in, right-out driveway exist on Interpark Place. Pedestrian access is provided from the building to the parking area. The building is fully sprinklered and is accessible to fire fighting equipment from all sides.

(2) Please explain how adequate off-street parking and loading areas will be provided, without creating undue noise, glare, odor or other detrimental effects upon adjoining properties.

We propose to provide adequate parking. The volleyball school & dance studio will operate during evenings and weekends and will not operate concurrently with the warehouse use in the remainder of the building. Parking calculations are provided on the attached exhibit. The volleyball school & dance studio will be indoors and will not create undue noise, glare, odor or other detrimental effects upon adjoining properties. Outdoor lighting meets Code requirements regarding shielding and pole height.

(3) Please explain how adequate and properly located utilities will be available or will be reasonably provided to serve the proposed development.

Utilities are in place for this existing building.

(4) Please explain how additional buffering and screening, beyond that which is required by the code, will be required in order to protect and provide compatibility with adjoining properties.

This is an existing building in an industrial area. The school & studio will be indoors. No buffer is needed.

(5) Please explain how signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.

This is an existing building in an industrial area. The dance studio will be indoors. Signs and lighting are in place.

(6) Please explain how yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.

The open space meets the City of Port St. Lucie's requirements, and is comparable to the existing open spaces for the adjacent developments.

(7) Please explain how the use, as proposed, will be in conformance with all stated provisions and requirements of the City's Land Development Regulation.

We will follow all of the City of Port St. Lucie's stated provisions and requirements of the City's Land Development Regulations.

(8) Please explain how establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the city.

The proposed development will comply will all city guidelines and will not impair the health, safety or welfare of the City's citizens. The volleyball school & dance studio will offer needed recreation in the City.

(9) Please explain how the proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.

We do not anticipate any nuisance or hazard to be caused by this indoor use.

(10) Please explain how the use, as proposed for development, will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access, location, light and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.

The indoor volleyball school will be compatible with the existing or permitted uses of adjacent property.

PLEASE NOTE:

(K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive or intrusive upon the nearby area and would result in excessive disturbance or nuisance from the use altering the character of neighborhood.

(L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including but not limited to reasonable time limit within which the action for which special approval is requested shall be begun or completed or both.
