COUNCIL ITEM 7F  
DATE 10/8/12

.....  
"A CITY FOR ALL AGES"

## Memorandum

TO: GREGORY J. ORAVEC, CITY MANAGER

FROM: PATRICIA A. LIPP, ADMINISTRATIVE ASSISTANT *Pat*

DATE: SEPTEMBER 26, 2012

SUBJECT: REQUEST FOR CITY SPONSORSHIP OF THE KNOW YOUR HEART: 2<sup>ND</sup> ANNUAL STUDENT SCREENING

---

Please find the attached e-mail from Ms. Cheryl Lalloo, The Jessica Clinton MVP Foundation, requesting City sponsorship of their Know Your Heart: 2<sup>nd</sup> Annual Student Screening scheduled for October 20, 2012, from 9:00 a.m. – 5:00 p.m., and will be held at the Port St. Lucie Community Center. The event organizer is seeking sponsorship of the event for the sole purpose of locating signage regarding the event in the right-of-way. As you know, pursuant to Section 155.07 of the City's Code of Ordinances, only City-sponsored special events may locate such signs within the right-of-way. Given that "sponsorship" is a policy decision of the City Council, this memorandum serves to request that this item be placed on the next City Council agenda for consideration.

If you have any questions or require additional information, please do not hesitate to contact me.

Thank you in advance for your time.

Hi Patti,

As you know, The Jessica Clinton MVP Foundation will be hosting our 2<sup>nd</sup> annual heart screening event at the Port St Lucie Community Center on Oct 20th. Last year the City of Port St Lucie sponsored us by allow us to place signs within the city limits. We are hoping that the city would accommodate us in the same manner. Please let me know if this is something that we can get approval on.

Sincerely,

Cheryl Lalloo

### About Us...

On October 2, 2003, Jessica Clinton a seventeen year-old Senior, died at Centennial High School in Port Saint Lucie because of a hidden heart condition. There was no defibrillator on hand to shock her heart.

The foundation created in her honor is working to prevent such tragedies. We are working to build awareness of heart disease with our biggest challenge to date. After placing Automated External Defibrillators in schools and community parks, we are now working to PREVENT a heart problem in children and teens.

Free to all students, ages 5 to  
18 years old, donations  
appreciated!
