Dear Property Owner:

Re: Residential Street Lighting Assessment Area
Boundary #317, NW BRISCOE DRIVE

The City of Port St. Lucie has received a request from a residential property owner for street lights in your area and a layout map of the proposed street lights has been drawn.

A public hearing on the matter will be held by the City Council on November 26, 2012, at 7:00 p.m., at City Hall, 121 SW Port St. Lucie Boulevard, Port St. Lucie, Florida. You may appear at the meeting and be heard with respect to the proposed lighting layout map and residential street lighting assessment area.

Once the hearing is concluded, an election of property owners will be held by mail since there is an annual assessment once the lights are installed. No lights will be installed unless the election passes by a vote of 50% plus one of the ballots returned by the property owners (one vote per assessment). The annual assessment for fiscal year 2012-2013 is \$27 per lot. The assessment fee is determined by the City Council annually at their Summer Retreat.

All mailed notices or ballots provided herein shall be deemed mailed upon delivery thereof to the possession of the United States Postal Service and failure of the owner to receive such notice due to inadvertent mistakes shall not affect the validity of these proceedings.

No stenographic record by a certified court reporter will be made of the foregoing meeting. Accordingly, any person who may seek to appeal any decision involving the matters noticed herein will be responsible for making a verbatim record of the testimony and evidence at said meeting upon which any appeal is to be based.

A copy of the proposed lighting layout map is enclosed. Any written response should refer to the legal description of your property.

Sincerely,

Karen A. Phillips, CMC
City Clerk
Enc.
