Re: Bridge Deck & Joint Rehabilitation – Contract #20110095 Amendment #1

---

Estep Construction, Inc. (ECI) was awarded a contract for Bridge Deck & Joint Repairs to the Port St. Lucie Boulevard at the C-24 Canal and Becker Road at the Turnpike on October 24, 2011. Staff has recently identified needed improvements at two other bridges (St. Lucie West Boulevard bridges over Florida's Turnpike Bridge #949901 & Bridge #949902) and ECI has agreed to hold their contract pricing for this repair work. The Engineering Department recommends approval of the additional work and issuance of Amendment #1 in the amount of \$19,010. All original contract provisions remain in force with no additional time added to the contract. Please schedule Contract #20110095 Amendment #1 for presentation at the next available City Council meeting for their review and consideration.
