### **DRAINAGE EASEMENT**

THIS DRAINAGE EASEMENT, is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2011, between the **CITY OF PORT ST. LUCIE**, a municipal corporation organized and existing under the laws of the State of Florida ("Grantor"), whose address is 121 S.W. Port St. Lucie Boulevard, Port St. Lucie, Florida 34984 and **DDH LAND HOLDINGS, LLC**, a Florida limited liability company ("Grantee"), whose address is 10521 S.W. Village Parkway, Suite 201, Port St. Lucie, Florida 34987.

#### WITNESSETH:

The Grantor, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration paid by Grantee, the receipt and sufficiency of which is hereby acknowledged, does hereby grant to the Grantee, its agents, successors and assigns, subject to the terms and conditions hereinafter provided, a perpetual easement for drainage purposes in, under and across that certain parcel of real property owned by the Grantor, which is described in Exhibit "A" attached hereto ("Easement Property").

The Grantor represents and warrants to the Grantee that the Grantor is in exclusive possession of the Easement Property and owns fee simple title to the Easement Property free and clear of all mortgages, liens, judgments and other encumbrances, except this easement, and that it has good and lawful right to grant this easement.

This easement shall permit the Grantee, its employees, agents, contractors, subcontractors, consultants and licensees and each of the aforementioned party's successors and assigns, to enter upon and use the Easement Property at any time and from time to time to install, construct, reconstruct, operate, inspect, maintain, service, remove, relocate, repair, replace and improve such drainage. The Grantor shall not construct any structure or other improvement upon the Easement Property or engage in any use of the surface of the Easement Property, which is inconsistent or interferes with the rights of the Grantee under this easement.

The Grantee shall restore the surface of the Easement Property after any excavation of the Easement Property and shall keep the Easement Property free from trash, debris and safety hazards following any repair or maintenance of the utilities; provided; however, that the foregoing shall not impose any obligation on Grantee to maintain the Easement Property. The Grantee shall have the right, but not the obligation, to clear the Easement Property and keep it cleared of all trees located within or outside the Easement Property, which might interfere with the Grantee's use of the Easement Property as permitted hereby. The Grantee shall use the Easement Property in accordance with all applicable laws, rules and regulations of governmental authorities having jurisdiction over the Easement Property or use thereof as herein provided.

If any of the real estate, landscaping, sod, or any other improvements located on the Grantor's property, outside of the Easement Property, is disturbed or damaged by any of the activities on the Easement Property by the Grantee, its agents, employees, servants, contractors, consultants, or persons acting pursuant to contracts or agreements with the Grantee, then the Grantee shall restore all such property to the condition existing prior to the disturbance or damage.

The Grantor reserves the right to use the Easement Property and all adjacent City property in any manner that will not unreasonably interfere with the easement rights granted to the Grantee herein. This easement grants to the Grantee, its successors and assigns, the exclusive right to use the Easement Property below its surface.

The Grantee shall indemnify and hold harmless the Grantor, its officers, employees, agents and instrumentalities from any and all liability, losses, or damages including attorney's fees and cost of defense, which the Grantor, its officers, employees, agents and instrumentalities may incur as a result of claims, demands, suits, causes of actions, or proceedings of any kind or nature arising out of, relating to, or resulting from the Grantee's actions, negligence or failure to exercise care in the construction, operation, maintenance or reconstruction of Grantee's drainage system located upon, over, under and around the Easement Property.

This easement shall run with the land and shall be binding upon the Grantor, all parties entitled to use or possession of the Easement Property by or through the Grantor, including lessees, and the successors and assigns of each of the aforementioned parties unless or until this easement is terminated.

**IN WITNESS WHEREOF**, the Grantor has caused these presents to be executed the date and year first above written.
