

RESOLUTION #12-R93

COUNCIL ITEM 11D
DATE 9-10-12
COUNCIL ITEM 11D
DATE 8/27/12

A RESOLUTION OF THE CITY OF PORT ST. LUCIE, AMENDING RESOLUTION 12-R74 BY AMENDING THE CONCEPTUAL PLAN TO GRANT A SPECIAL EXCEPTION USE PROVIDED FOR IN SECTION 158.124 (C) 12 TO ALLOW A RETAIL CONVENIENCE STORE IN THE CG (GENERAL COMMERCIAL) ZONING DISTRICT FOR THE PROPOSED SHAMROCK PLAZA, LEGALLY DESCRIBED AS LOTS 1, 2, 25 AND 26, BLOCK 2283, PORT ST. LUCIE SECTION 33 (P12-056); PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Port St. Lucie, Florida, has been requested by Azzi Plus, LLC., the owner to grant a special exception use for a retail convenience store in the CG (General Commercial) zoning district, per Section 158.124 (C) 12 of the zoning code; and legally described as lots 1, 2, 25 and 26, Block 2283, Port St. Lucie Section 33;

WHEREAS, the City Council determines that the granting of this special exception use is authorized by Section 158.255, et seq., and Section 158.124 (C) 12 Code of Ordinances, City of Port St. Lucie, and further that granting the special exception use will not adversely affect the public interest;

WHEREAS, the subject application has been reviewed in accordance with Section 158.260, and meets the special exception use requirements as stipulated; and

WHEREAS, on July 3, 2012, the Planning and Zoning Board, with a vote of 5-1 recommended approval of the special exception use for a retail convenience store in the CG (General Commercial) zoning district, (P12-056) as recommended by staff (one board member abstained from voting); and

WHEREAS, on July 23, 2012, the City Council adopted Resolution 12-R74 with a conceptual site plan as Exhibit "A", showing the location of the convenience store in the north; and

RESOLUTION #12-R93

WHEREAS, subsequently the applicant revised the conceptual site plan showing the location of the convenience store in the south, as shown in the revised Exhibit "A". In all other respects Resolution 12-R74 remains unchanged.

NOW, THEREFORE, the City Council adopts this Amendment to Resolution 12-R74, substituting Exhibit "A" from Resolution 12-R74, to the new Exhibit "A", which reflects the convenience store to the south on the conceptual site plan.

PASSED AND APPROVED by the City Council of the City of Port St. Lucie, Florida, this 27th day of August, 2012.

RESOLUTION NO. 12-R74

COUNCIL ITEM 11B
DATE 7/23/12

A RESOLUTION GRANTING A SPECIAL EXCEPTION USE PROVIDED FOR IN SECTION 158.124 (C) 12 TO ALLOW A RETAIL CONVENIENCE STORE IN THE CG (GENERAL COMMERCIAL) ZONING DISTRICT FOR THE PROPOSED SHAMROCK PLAZA, LEGALLY DESCRIBED AS LOTS 1, 2, 25 AND 26, BLOCK 2283, PORT ST. LUCIE SECTION 33 (P12-056); PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Port St. Lucie, Florida, has been requested by Azzi Plus, LLC., the owner to grant a special exception use for a retail convenience store in the CG (General Commercial) zoning district, per 158.124 (C) 12 of the zoning code; and legally described as lots 1, 2, 25 and 26, Block 2283, Port St. Lucie Section 33;

WHEREAS, the City Council determines that the granting of this special exception use is authorized by Section 158.255, et seq., and Section 158.124 (C) 12 Code of Ordinances, City of Port St. Lucie, and further that granting the special exception use will not adversely affect the public interest;

WHEREAS, the subject application has been reviewed in accordance with Section 158.260, and meets the special exception use requirements as stipulated;

WHEREAS, the Planning and Zoning Board, on July 3, 2012, with a vote of 5-1 recommended approval of the special exception use for a retail convenience store in the CG (General Commercial) zoning district, (P12-056) as recommended by staff (one board member abstained from voting);

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Port St. Lucie as follows:

RESOLUTION NO. 12-R74

Section 1. That the City of Port St. Lucie hereby grants a Special Exception Use for a retail convenience store for the proposed Shamrock Plaza (P12-056), pursuant to Section 158.255, et seq., and Section 158.124 (C) 12 Code of Ordinances, City of Port St. Lucie, said special exception use is depicted on the conceptual plan which is hereby formally adopted and attached as Exhibit "A", to be located west of SW Port St. Lucie Boulevard, north and east of SW Yamada Drive., and legally described as lots 1, 2, 25 and 26, Block 2283, Port St. Lucie Section.

Section 2. This resolution shall take effect immediately upon its adoption.

PASSED AND APPROVED by the City Council of the City of Port St. Lucie, Florida, this 23rd day of July, 2012.

ORDINANCE _____ RESOLUTION X MOTION _____ PUBLIC HEARING X

ITEM: SPECIAL EXCEPTION USE APPLICATION
SHAMROCK PLAZA - CONVENIENCE STORE (P12-056)

RECOMMENDED ACTION:

The Planning and Zoning Board, on July 3, 2012, with a vote of 5-1 recommended approval of the Special Exception Use for a retail convenience store in the north side of the building in the CG (General Commercial) zoning district (one board member abstained from voting). City Council approved this on July 23, 2012 with 3 voting in favor and 2 voting against. The Special Exception Use for the proposed drive through window on the south side of the building was denied unanimously by the City Council on July 23, 2012 for compatibility issues. The applicant revised the site plan by eliminating the drive through window on the south side of the building, and switched the convenience store to the south side from the north side. The site plan and the Special Exception Use were discussed in the City Council meeting on August 13, 2012 and a motion was passed unanimously to table these projects to amend the approved resolution and the conceptual plan.

EXHIBITS: A. Resolution B. Staff Report C. Support Materials

SUMMARY EXPLANATION/BACKGROUND INFORMATION:

The requested special exception is to have a retail convenience store in the CG (Commercial General) Zoning District, per Section 158.124 (C) 12 of the Zoning Code. The proposed resolution amends the conceptual plan which depicts the retail convenience store at the southern most unit of the proposed building.

IF PRESENTATION IS TO BE MADE, HOW MUCH TIME WILL BE REQUIRED? None.

FROM: THRESIAMMA KURUVILLA, PLANNER 

RE: SPECIAL EXCEPTION APPLICATION (PROJECT NO. P12-056)
SHAMROCK PLAZA - CONVENIENCE STORE

DATE: JUNE 22, 2012

APPLICANT: David L. Phillips, P.E. of Sustainable Engineering & Design, LLC. Authorization letter is attached.

OWNER: Azzi Plus, LLC

LOCATION: The property is located west of SW Port St. Lucie Boulevard, north and east of SW Yamada Drive.

LEGAL DESCRIPTION: Lots 1, 2, 25, and 26, Block 2283, Port St. Lucie Section 33

SIZE: 1.06 acres (46,174 square feet).

EXISTING ZONING: CG (General Commercial)

EXISTING USE: Vacant.

PROPOSED USE: The proposed use is to have a retail convenience store on the north south side of the building in the proposed Shamrock Plaza.

REQUESTED SPECIAL EXCEPTION: The requested special exception is to have a retail convenience store in the CG (Commercial General) Zoning District, per Section 158.124 (C) 12 of the Zoning Code. Section 158.006 of the Zoning Code defines convenience store as "An establishment limited to the sale of convenience goods and not exceeding a gross floor area of 5,000 square feet."

SURROUNDING USES: North = RS-2 (Single Family Residential) zoning, houses, and vacant lots; South = RS-2 (Single Family Residential) zoning, Becker Road Commercial PUD, and NAU Ranch Becker Square PUD, vacant; East = Port St. Lucie Boulevard and beyond that RS-2 (Single Family Residential) zoning, vacant; West = RS-2 (Single Family Residential) zoning,

houses, and vacant lots. The surrounding properties are in conversion areas 11-11A.

IMPACTS AND FINDINGS:

Evaluation of Special Exception Criteria (Section 158.260)

(A) Adequate ingress and egress may be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or other emergency.

Applicant: The access will be provided off of Port St. Lucie Blvd. and Yamada Dr.

Staff: The site is vacant now. The applicant has applied for a site plan (P12-038) and a conceptual site plan for a convenience store (P12-056) for approval. On 6/13/2012, the Site Plan Review Committee recommended these projects for approval. The main access is from Port St. Lucie Blvd., with a right in, right out only. The second access is from Yamada Dr., with full access. The existing site has adequate ingress and egress to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or other emergency. Therefore, the site will have a total of two (2) access points; these can be used for both ingress and egress.

(B) Adequate off-street parking and loading areas may be provided, without creating undue noise, glare, odor, or other detrimental effects upon adjoining properties.

Applicant: A site plan application has been submitted concurrently with this application depicting the required parking and buffering. Landscaping will also be provided for buffering of facilities.

Staff: The conceptual site plan shows adequate parking for this proposed development at the ratio of one (1) space for every 200 sq. ft. of retail area, without creating undue noise, glare, odor, or other detrimental effects upon adjoining properties. Bicycle parking is provided at the site. A cross access easement is shown on the conceptual site plan to the adjacent vacant lot which is in the conversion area. The proposed convenience store is 2,190 sq. ft. area and is shown on the north side of the building as shown in the Conceptual Site Plan (Exhibit A).

(C) Adequate and properly located utilities are available or may be reasonably provided to serve the proposed development.

Applicant: Water, sewer, electric, cable and phone services are adjacent to the project site.

Staff: The existing site has adequate and properly located utilities to serve the development.

(D) Adequate screening or buffering. Additional buffering beyond that which is required by the code may be required in order to protect and provide compatibility with adjoining properties.

Applicant: Additional landscaping can be required and will be coordinated with city staff during the landscape plan review process.

Staff: The applicant's response adequately addresses this criterion. Further, the applicant has provided a 6' high opaque fence on the north side of the property and a 6' high wall on the west of the property to meet the City's code.

ITEM # 7(H)

(E) Signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.

Applicant: Lighting will comply with city code by using lighting poles and building mounted fixtures. Lights will be shielded to avoid light pollution.

Staff: The conceptual site plan shows the location of 6' high light poles to be used along north and west property lines and 20' high light poles to be used for interior of project site. All exterior lights have to use concealed source fixtures in which the lenses do not project below the opaque section of the fixture. Final lighting pole design has to be reviewed and approved with final construction plan review. The applicant will have to apply for a sign permit for all proposed signage. The location of the drive-through signage for this building should be directed away from residents and located to the south.

(F) Yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.

Applicant: The required setbacks and open space will be provided and is referenced on the site plan attached with this application.

Staff: The existing site has adequate yards and open space to properly serve the existing development and ensure compatibility with adjoining properties. The conceptual site plan shows usable open spaces with public use benches and paved areas in front of the building on the east side. The conceptual site plan also shows a 5 foot sidewalk along Port St. Lucie Blvd. and Yamada Dr.

(G) The use as proposed will be in conformance with all stated provisions and requirements of this chapter.

Applicant: The use has been designed per attached plan, to conform to the City Conversion Area and LDR standards.

Staff: The proposed retail convenience store is a special exception use in the CG (General Commercial) Zoning District per Section 158.124 (C) 12 of the Zoning Code.

(H) Establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the City.

Applicant: The project will be designed as not to impair the health, safety, welfare, or convenience of residents and workers in the City.

Staff: The site plan complies with the Zoning Code and Citywide Design Standards.

(I) The proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.

Applicant: The hours of operation will be consistent with similar commercial retail establishments, and the orientation of the site plan was designed to minimize noise, fume generation, or the type of unwanted use.

ITEM # 7(H)

Staff: The proposed convenience store may well serve the neighborhood and the close proximity to Becker Road and I-95 further justifies the benefit to the public. The second access (in and out) to this plaza is from Yamada Dr., which is a local road. The applicant has stated in his email that the proposed hours of operation will be from 6 a.m. to 11 p.m. The proposed use should not constitute a nuisance or hazard based on the information provided in the application. The location of the drive-through signage for this building should be directed away from residents and located to the south.

(J) The use as proposed for development will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access location, light and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.

Applicant: The size and configuration of this facility is consistent with conversion area plan, a cross access easement can be provided for adjacent uses.

Staff: The site plan complies with the Conversion Manual, Citywide Design Standards, and Zoning Code.

(K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive or intrusive upon the nearby area, and would result in excessive disturbance or nuisance from the use altering the character of the neighborhood.

Staff: The applicant has acknowledged this.

(L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including, but not limited to, reasonable time limit within which the action for which special approval is requested shall be begun or completed, or both.

Staff: The applicant has acknowledged this.

Compatibility with special exception criteria: As noted above, the proposed use is compatible with all of the special exception criteria stipulated in the Zoning Code.

Notice to Property Owners: Notice was sent to all neighbors within a 300 foot radius (see attached map).

Related Projects:

P12-026 - Azzi Plus Rezoning application to rezone this property to CG (General Commercial) zoning from RS-2 (Single Family Residential) zoning was approved by the City Council on May 14, 2012 per Ordinance #12-21.

P12-037: Conceptual Site Plan for Shamrock Plaza Special Exception Use for a drive through facility on the south side of the building was recommended for approval by the Site Plan Review Committee on 6/13/2012.

RECOMMENDATION:

The Planning and Zoning Department staff finds the request to be consistent with special exception criteria as stipulated in Section 158.260 of the Zoning Code, and recommends approval of the retail convenience store.

Planning and Zoning Board Action Options:

- Motion to recommend approval to the City Council
- Motion to recommend approval to the City Council with conditions
- Motion to recommend denial to the City Council

Should the Board need further clarification or information from either the applicant and/or staff, it may exercise the right to *table* or *continue* the hearing or review to a future meeting.

ACTION:

The Special Exception Use for the proposed drive through window on the south side of the building was denied unanimously by the City Council on July 23, 2012 for compatibility issues.

The Special Exception Use for the proposed retail convenience store on the north side of the building was approved by the City Council on July 23, 2012 with 3 voting in favor and 2 voting against.

The Site Plan for Shamrock Plaza was discussed under new business by the City Council on July 23, 2012, and a motion was passed unanimously to table this project to the next City Council meeting.

The applicant revised the site plan by eliminating the drive through window on the south side of the building, and switched the convenience store to the south side from the north side. The driveway is restriped to only allow one-way traffic, and the area will serve as a temporary loading space for deliveries.

The Site Plan and the Special Exception Use for Shamrock Plaza was discussed under unfinished business by the City Council on August 13, 2012, and a motion was passed unanimously to table this project to the next City Council meeting to amend the approved resolution and the conceptual plan (Exhibit A).

NOTE: Signature on this application acknowledges that a certificate of concurrency for adequate public facilities as needed to service this project has not yet been determined. Adequacy of public facility services is not guaranteed at this stage in the development review process. Adequacy for public facilities is determined through certification of concurrency and the issuance of final local development orders as may be necessary for this project to be determined based on the application material submitted.

SPECIAL EXCEPTION USES

The Planning and Zoning Board, and Zoning Administrator, may authorize the special exception use from the provisions of § 158.260. In order to authorize any special exception use from the terms of this chapter, the Planning and Zoning Board, or Zoning Administrator, will consider the special exception criteria in § 158.260 and consider your responses to the following when making a determination.

(A) Please explain how adequate ingress and egress will be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience; traffic flow, and control, and access in case of fire or other emergency.

ACCESS WILL BE PROVIDED OFF PSU BLVD. AND
YAMADA DRIVE.

(B) Please explain how adequate off-street parking and loading areas will be provided, without creating undue noise, glare, odor or other detrimental effects upon adjoining properties.

A SITE PLAN APPLICATION HAS BEEN SUBMITTED
CONCURRENTLY WITH THIS APPLICATION PICTURING THE
REQUIRED PARKING & BUFFERING. LANDSCAPING WILL
ALSO PROVIDE BUFFERING OF FACILITIES.

(C) Please explain how adequate and properly located utilities will be available or will be reasonably provided to serve the proposed development.

WATER, SEWER, ELECTRIC, CABLE, AND PHONE
SERVICES ARE ADJACENT TO THE PROJECT.

(D) Please explain how additional buffering and screening, beyond that which is required by the code, will be required in order to protect and provide compatibility with adjoining properties.

ADDITIONAL LANDSCAPING CAN BE REQUIRED
AND WILL BE COORDINATED WITH CITY STAFF
DURING THE LANDSCAPE PLAN REVIEW PROCESS

(E) Please explain how signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.

LIGHTING WILL COMPLY WITH CITY CODE BY
USING LIGHT POLES AND BUILDING MOUNTED FIXTURES.
LIGHTS WILL BE SHIELDED TO AVOID LIGHT POLLUTION.

(F) Please explain how yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.

THE REQUIRED SETBACKS AND OPEN SPACE
WILL BE PROVIDED AND IS REFERENCED ON
THE SITE PLAN ATTACHED WITH THIS APPLICATION.

(G) Please explain how the use, as proposed, will be in conformance with all stated provisions and requirements of the City's Land Development Regulation.

THE USE HAS BEEN DESIGNED, PER ATTACH PLAN, TO CONFORM TO THE CITY CONVERSION AREA AND LDR STANDARDS.

(H) Please explain how establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the city.

THE PROJECT WILL BE DESIGNED AS NOT TO IMPAIR THE HEALTH, SAFETY, WELFARE, OR CONVENIENCE OF RESIDENTS AND WORKERS IN THE CITY.

(I) Please explain how the proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.

THE HOURS OF OPERATION WILL BE CONSISTENT SIMILAR COMMERCIAL RETAIL ESTABLISHMENTS, AND THE ORIENTATION OF THE SITE PLAN WAS DESIGNED TO MINIMIZE NOISE, FUME GENERATION, OR TYPE OF UNWANTED USE.

(J) Please explain how the use, as proposed for development, will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access, location, light and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.

THE SIZE AND CONFIGURATION OF FACILITY IS CONSISTED WITH CONVERSION AREA PLAN; A CROSS ACCESS EASEMENT CAN BE PROVIDED FOR ADJACENT USES.

Signature of Applicant

3-20-12

Date

PLEASE NOTE:

(K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive or intrusive upon the nearby area and would result in excessive disturbance or nuisance from the use altering the character of neighborhood.

(L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including but not limited to reasonable time limit within which the action for which special approval is requested shall be begun or completed or both.

Subject: **LETTER OF AUTHORIZATION - PERMITTING AGENT**

To Whom It May Concern:

This letter serves as authorization for Mr. David L. Phillips, P.E., to serve as the permitting agent for Azzi Plus, LLC. for the Azzi's Plaza site plan; for the time period beginning 01-01-12 through 01-01-13.

Any questions or concerns regarding work associated with our Plaza site plan should be addressed with Mr. Phillips.

Your time and assistance with this matter are greatly appreciated.

Sincerely,

Mr. Pierre Azzi
President

re: FILE # P12-056 SPECIAL EXCEPTION USE

Dear Officials:

As property owner of Port St. Lucie block 2283, section 33, lot 24; (a/k/a 4486 SW Port St Lucie Blvd) parcel ID 342066026090000,

I am respectfully objecting to the granting of a special exception use for the property adjoining mine.

My property was purchased as a residential lot and with my intentions of retiring there. I feel this is an undo intrusion into the use and enjoyment of my property and I do not feel the exception is in keeping with the character of the neighborhood.

There is little doubt of the noise, inconvenience and litter problems that will accompany the proposed project; the detrimental effect is certainly without doubt.

As property owner, I have dutifully paid my property taxes without fail or delinquency every year that I owned the property, keeping focus on my future plan of retirement as it grows closer. I am devastated at the prospect that this proposed use-exception be granted, thereby destroying the peaceful use of my property.

Again, I respectfully beseech you to deny this application for special use exception.

Sincerely

Steven R. Rudolph

Item 7A + 7H

To Whom It May Concern;

RE: FILE # P12-037

OBJECTION TO THE SHAMROCK PLAZA-DRIVE THROUGH

My property: Lot 3, block 2283, and Section 33
Address: 4537 S.W. Yamada Dr.
Port St. Lucie, FL 34953
Owner: Mary L. Mullens
Mailing Address: 3123 Hesel Dr.
Silver Spring, MD 20906

I did not have any issues with the strip plaza being built next to my property but I do object to the special exception use application for the **Shamrock Plaza-Drive Through Service (P12-037)**. The drive-thru will direct a hundred cars daily from the Port St. Lucie Blvd entrance, to drive within (24 feet of my home) around all the stores, go to the drive-thru window. I plan to move into my retirement home at 4537 Yamada Dr. next year and enduring the noise from the hundreds of car motors, loud music playing on radios, and the exhaust fumes from vehicles driving to and idling while waiting for service will be horrible. My property value will be negatively impacted by the increase of traffic noises from the drive-thru.

I object to the exception for the drive-thru,

Mary Mullens
3123 Hesel Dr.
Silver Spring, MD 20906

Subject: RE: p&Z Board minutes

P12-037 SHAMROCK PLAZA – DRIVE-THROUGH SERVICE – SPECIAL EXCEPTION USE

Ms. Kuruvilla said, "The owner is Azzi Plus, LLC. The applicant is David L. Phillips, P.E. of Sustainable Engineering & Design, LLC. The property is located west of SW Port St. Lucie Boulevard, and north and east of SW Yamada Drive. It is legally described as Lots 1, 2, 25, and 26, Block 2283, Port St. Lucie Section 33. The size of the lot is 1.06 acres. The existing zoning is General Commercial, and it is a vacant site. The proposed use is to have a drive-through window on the south side of the building in the proposed Shamrock Plaza. The requested special exception is to have a drive-through service in the Commercial General Zoning District, per Section 158.124 (C) 14 of the Zoning Code. The applicant has applied for a Site Plan, P12-038, and a Conceptual Site Plan for a drive-through service SEU P12-037, and a conceptual Site Plan for a convenience store SEU P12-556 for approval. On June 13, 2012, the Site Plan Review Committee recommended these projects for approval. Exhibit A is the conceptual Site Plan. The main access is from Port St. Lucie Boulevard with a right in and a right out only. The second access is from Yamada Drive with the full access. The existing site has adequate ingress and egress to and from the property. The proposed Conceptual Site Plan shows adequate parking. Bicycle parking is provided at the site. A cross access easement is shown on the Conceptual Site Plan to the adjacent vacant lot, which is in the Conversion Area. The applicant has to provide Landscape Plans along with Construction Plans. The Conceptual Site Plan shows a 6-foot high opaque fence on the north side of the property and a 6-foot high wall on the west of the property to meet the City's Code. The Conceptual Site Plan also shows the location of 6-foot high light poles to be used along the north and west property lines, and 20-foot high light poles to be used for the interior of project site. A 5-foot sidewalk along Port St. Lucie Boulevard and Yamada Drive is proposed. The requested Special Exception Use for a drive-through is in conformance with the provisions and requirements of the City of Port St. Lucie Land Development Regulations. The applicant has stated in his email that the proposed hours of operation will be from 6 a.m. to 11 p.m. The proposed use should not constitute a nuisance or hazard based on the information provided by the applicant. The Planning and Zoning Department staff finds the request to be consistent with the Special Exception criteria as stipulated in Section 158.260 of the Zoning Code, and recommends approval of the drive-through service."

THOMAS FARLEY, Attorney for the applicant, said, "We have no presentation, but Dawn Hilton, the engineer and I, are here to answer any questions you may have." Ms. Parks stated, "You have come before us previously, and there was question at that time about the ingress and egress, particularly, the egress from your facility onto Port St. Lucie Boulevard. At that time there was striping or a median, so that you could not make a left turn out of your facility onto Port St. Lucie Boulevard. Has that changed?" Ms. Hilton responded, "No, ma'am. It has not changed. You cannot make a left-hand turn out of the site onto Port St. Lucie Boulevard. You must make a right." Ms. Parks asked, "Is there striping or a median there?" Ms. Hilton replied, "It has striping." Mr. Battle questioned, "Do you have any prospective tenants?" Mr. Azzi answered, "We are using two bays for our own business as a convenience store. I have contacted Dunkin Doughnuts, but we haven't received an answer yet." Mr. Battle clarified, "So you are looking for a fast food restaurant." Mr. Azzi replied in the affirmative.

Chair Blazak opened the Public Hearing. There being no comments, Chair Blazak closed the Public Hearing and said, "We received a letter from a Mr. Steven Rudolph that I would like to add into the record. He is opposed to this project." Ms. MacKenzie remarked, "I will be abstaining." (**Clerk's Note:** A Voting Conflict Form is attached to the minutes). Chair Blazak asked, "Does the Special Exception for the drive-through change the compatibility that would normally exist with this zoning in this area?" Ms. Kuruvilla replied, "It is in a Conversion Area, and is compatible with the Zoning Code." Secretary Ojito said, "It appears from the Site Plan that the 8-foot high wall seems to terminate halfway through the curve. Should that wall extend a little further, because it appears that there are two residential blocks that are not blocked from the view?" Ms. Kuruvilla responded, "The fence is going to be up to the residential area, per the Code requirements. The rest of the area is commercial on the south side." Secretary Ojito clarified, "Lot 26 says RS-2 and Lot

27 says RS-2, so I'm concerned that they will have a view unless it is landscaped." Mr. Holbrook advised, "Perimeter landscaping is required for this development. As a part of the landscaping requirement, a wall is required when you have a residential area that abuts up to a non-residential area. For areas that are in Conversion Areas, which this area is, you will see the wall stopping there. On the Future Land use map, Lot 26 on the southwest side, from that lot moving to the east is within the Conversion Area, as are the lots which are immediately to the north of this project. It doesn't require a wall for those areas, and a fence can be provided. Since this is across the street, fences have typically not been provided. That has been a past practice of the City. The best map to look at is the Future Land Use Map, and it is actually Lot 25." Ms. Kuruvilla said, "They are Lots 25, 26, and 27, 28, and 29 that are commercial on the Future Land Use Map." Mr. Holbrook advised, "From Lot 25 through 29, on the south side on Block 2284, is all commercial future land use. To the north of the project, which are Lots 3 and 24, is future land use, and those are within the City's Conversion Areas. The Conversion Area is a set of policies and guidelines, which the City established in the mid 1980's. It allowed for the conversion of residential lots to other uses. Those are policies that we have been dealing with for a number of decades. Back in the 1980's, the City changed the Future Land Use Map, and created a manual. This is a Special Exception Use, which has the listed criteria that Ms. Kuruvilla reviewed in her presentation."

Mr. Garrett **moved** to recommend approval of P12-037, Shamrock Plaza, Drive-through Service, SEU. Mr. Battle **seconded** the motion, which **passed** by roll call vote with Chair Blazak, Vice Chair Martin, Mr. Garrett, Mr. Battle, and Secretary Ojito voting in favor; Ms. Parks voting against, and Ms. MacKenzie abstaining.

P12-056 SHAMROCK PLAZA – CONVENIENCE STORE – SPECIAL EXCEPTION USE

Ms. Kuruvilla said, "This is a Special Exception Use application for Shamrock Plaza Convenience Store for the same property. The requested Special Exception Use is to have a retail convenience store in the General Commercial Zoning District, per Section 158.124(C)12 of the Zoning Code. The proposed use is compatible with all of the Special Exception criteria stipulated in the Zoning Code. The Planning and Zoning Department staff finds the request to be consistent with the Special Exception criteria as stipulated in Section 158.260 of the Zoning Code, and recommends approval of the retail convenience store."

Chair Blazak opened the Public Hearing. There being no comments, Chair Blazak closed the Public Hearing and stated, "I want to note again the communication we had from Mr. Rudolph who opposed this project as well. Vice Chair Martin **moved** to recommend approval of P12-056, Shamrock Convenience Store, SEU. Secretary Ojito **seconded** the motion, which **passed** by roll call vote with Chair Blazak, Vice Chair Martin, Mr. Garrett, Mr. Battle, and Secretary Ojito voting in favor, Ms. Parks voting against, and Ms. MacKenzie abstaining. (**Clerk's Note:** A Voting Conflict Form is attached to the minutes).

**CITY OF PORT ST. LUCIE
CITY COUNCIL REGULAR MEETING MINUTES
AUGUST 13, 2012**

A Regular Meeting of the CITY COUNCIL of the City of Port St. Lucie was called to order by Mayor Faiella on August 13, 2012, at 7:00 p.m., at Port St. Lucie City Hall, 121 SW Port St. Lucie Boulevard, Port St. Lucie, Florida.

Karen A. Phillips, City Clerk
David K. Pollard, OMB Director
John A. Bolduc, Acting Police Chief
Sally Walsh, Deputy City Clerk

3. INVOCATION & PLEDGE OF ALLEGIANCE

The City Clerk gave the Invocation, and Mayor Faiella led the assembly in the Pledge of Allegiance.

12. UNFINISHED BUSINESS

a) **MINOR SITE PLAN, SHAMROCK PLAZA P12-038**, LOCATED WEST OF SW PORT ST. LUCIE BOULEVARD, NORTH AND EAST OF SW YAMADA DRIVE, CONSTRUCTION OF A 6,780 SQ FT RETAIL BUILDING WITH A CONVENIENCE STORE ON THE NORTH SIDE OF THE BUILDING AND A DRIVE THROUGH WINDOW ON THE SOUTH SIDE OF THE BUILDING, AZZI PLUS, LLC, PLANNING AND ZONING

Mr. Holbrook said, "This item was tabled at the July 23, 2012, meeting. This item was tabled by Council to allow the applicant to revise their Site Plan so that they could remove the drive-through, which was not approved as a Special Exception Use. The applicant has come back with an application that changed their Special Exception Use, so we are bringing that to you to see if this is something that you would like to consider. We are asking that you table this item either way to allow them to make a correction to the Site Plan or to make an amendment to the application for the Special Exception Use. We will bring back an amended Resolution for your consideration." Councilman Kelly asked, "They have changed the position of the building; are they again asking for a drive-through?" Mr. Holbrook replied, "No. The convenience store that was located on the northern portion of the building has been moved to where the drive-through would have been. This is a change in the Concept Plan, which was adopted by Resolution that was approved back in July. Therefore, this proposal is not consistent with the approved Resolution. From a compatibility perspective the convenience store would most likely be the most intense use and moving that further away from the residence is probably a good idea. This item can be tabled until the next City Council meeting; it will be advertised and we will amend the Resolution."

Councilman Kelly **moved** to table Item 12a) until the August 27, 2012, meeting. Councilwoman Berger **seconded** the motion. The City Clerk restated the motion as follows: to table Item 12 a) to the August 27, 2012, City Council meeting. The **motion passed unanimously** by roll call vote.
