Re: E-Bid # 20120071- Bayshore Boulevard & Prima Vista Boulevard Intersection Improvement Construction Project

---

With this memo, we are acknowledging receipt of the bid tabs for the above referenced project that were submitted on August 23, 2012 at 3:00 PM.

After reviewing the bid tabs, we have decided to reject all bids since they are higher than our budgeted funds. Please prepare this item for City Council at the earliest available meeting.

Also, we would like to rebid the project in the next budget year and open the bidding to all qualified contractors.

If you have any questions or require additional information, please do not hesitate to contact me at 344-4364.

As always, thank you for your assistance in this matter.
