LUCIE**, a Florida Municipality, 121 SW Port St. Lucie Blvd., Port St. Lucie, FL 34984, and **PSL ACQUISITIONS 1, LLC**, an Iowa limited liability company, 10489 SW Meeting St. Port St. Lucie, FL 34987 (collectively the "Grantors") and **MANN RESEARCH CENTER, LLC**, a Delaware limited liability company, 10490 SW Village Center Drive, Port St. Lucie, Florida 34987 ("Grantee")

RECITALS

WHEREAS, Grantors own the real property described on Exhibit A hereto ("Easement Area");
and

WHEREAS, Grantee owns the real property described on Exhibit B hereto ("Property"); and

WHEREAS, Grantee has requested that Grantors grant it a perpetual non-exclusive drainage easement which shall burden the Easement Area, and benefit the Property; and

WHEREAS, Grantors have agreed to grant an easement to Grantee in accordance with, and subject to, the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein.
2. Grant of Easement. Grantors hereby grant and convey unto Grantee a perpetual, non-exclusive easement on, over, across and/or under the Easement Area ("Drainage Easement") for the purpose of providing drainage from the Property to the real property described on Exhibit C hereto ("Water Management Tracts"), together with the right of drainage, flowage and storage of surface water from the Property and the improvements thereon into and onto the Water Management Tracts as may be necessary to drain the

Property. The Drainage Easement rights shall also include: i) the right of Grantee to construct, install, service and/or repair drainage and water management facilities on, over, across and/or under the Easement Area ("Drainage Facilities"); and ii) the right of Grantee to ingress, egress and access on, over, across and/or under the Easement Area for the purposes of constructing, servicing and repairing the Drainage Facilities. 4. Maintenance of Easement Area. Grantee shall maintain the Drainage Facilities in a good and workmanlike manner at all times, and Grantors shall permit Grantee and its employees and contractors access to the Drainage Facilities for such maintenance. In the event the Grantee fails to maintain the Drainage Facilities as provided herein, Grantors, or any of them, may, after twenty (20) days prior written notice to Grantee of the specific maintenance failure(s), at their option, undertake the required maintenance, and Grantee shall reimburse Grantors for the actual cost of such maintenance work and materials within ten (10) days of Grantee's receipt of a detailed invoice for the same. In the event Grantee fails to make payment as required, or fails to object to the cost and need for the maintenance within such ten (10) day period, Grantors may, at their option, declare the costs to be a Special Assessment (as defined in the Commercial Charter for Tradition recorded in OR Book 2098, Page 1697, public records of St. Lucie County, Florida) against the Property.
5. Development and Maintenance Activities. The development and maintenance of the Property and the Drainage Facilities shall be conducted in such a manner as to avoid unreasonable interference with the use and operation of the Water Management Tracts; provided, however, that the parties agree that the Grantee's development of the Property in accordance with the plans approved by the City of Port St. Lucie, and the Grantee's maintenance of the Property and the Drainage Facilities in accordance with this Agreement, shall be deemed to not unreasonably interfere with the use and operation of the Water Management Tracts.
6. Binding Effect. This Agreement shall run with the lands described herein, and shall be binding upon and inure to the benefit of the parties hereto and their transferees, successors and assigns.
7. Notices / Approvals. Any notice required or permitted to be given hereunder shall be in writing and may be given by hand delivery, by overnight courier with signature required, or by certified mail, return receipt requested, postage prepaid, to the addresses set forth above or to the addresses for the parties as reflected in the records of St. Lucie County, Florida. If no response is received to the request for approval within twenty (20) days after delivery of the same, approval shall be deemed to have been given by the non-responding party. Except as expressly provided in this Agreement to the contrary, approvals in no instance shall be unreasonably withheld, conditioned or delayed.
8. Amendment. This Agreement may not be modified, amended or terminated without the written approval of all parties hereto.

9. All Legal and Equitable Remedies Available. In the event of a breach or threatened breach by any party of any of the terms, covenants, restrictions or conditions hereof, the other party or parties shall be entitled forthwith to full and adequate relief by injunction and/or all such other available legal and equitable remedies from the consequences of such breach. All remedies shall be cumulative and not exclusive.
10. Attorneys Fees. In the event a party institutes any legal action or proceeding for the enforcement of any right or obligation herein contained, the prevailing party after a final adjudication shall be entitled to recover its costs and reasonable attorneys' fees incurred in the preparation and prosecution of such action or proceeding.
11. Waiver. No waiver of any of the provisions of this Agreement shall be effective unless it is in writing, signed by the party against whom it is asserted, and any such waiver shall only be applicable to the specific waiver or issue to which it relates, and shall not be deemed to be a continuing or future waiver.
12. Governing Law / Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, and venue for any litigation arising hereunder shall be in St. Lucie County, Florida.
