Date: 11/5/2012

COUNCIL ITEM 5C
DATE 11/19/12

Please allow this memo to serve as my official request to have the City Council make a special presentation to the Working Group Committee of volunteers who were ultimately responsible for the successful completion of the Sept. 11 Monument located at the Port St. Lucie Civic Center. I understand that Monday, November 19, 2012, will be Councilman Jack Kelly's last meeting on the dais and I feel it would be appropriate to have this on the agenda at that time.

Listed below are the names of those who will receive a personalized picture frame which will include a photo of the completed monument.
